Junior Graphic Designer and Marketplace Assistant

Hired to work in the MARN Marketplace but was promoted to a hybrid position combining retail and graphic design work. Curated the arrangement of 150+ pieces of art at a time, oversaw inventory, designed assets and worked collaboratively with the lead of graphics to create logos for new programs.

Graphic Design Intern

Volunteer graphic design work through MIAD's service placement program. Worked multiple gallery events, created graphics for artist's and company's use under brand guidelines.

Freelance Graphic Design and Fine Art

80+ one of a kind watercolor pet portraits sold since the launch of my small business. Experience in discussing pricing and deadlines, getting feedback from customers, issuing invoices, and delivering artwork. Currently working on freelance graphic design jobs- designing gallery posters, beverage labels, and print projects.

Associate

Recently began working with the in-house artist on window displays as an unofficial assistant. Worked cashier, helped individuals find pieces to fit their vision, worked with team to process online shipment and keep the store up to company standards.

My next resume spot could be you! reach me through any of the contact info above OR hire me! Thanks :)
